Advancing Information Security in Your Community

Join a Community of Like-Minded Professionals

An (ISC)^2 Chapter provides its members the opportunity to build a local network of their peers to share knowledge, collaborate on projects, and create new ways to earn CPE credits. It provides members the opportunity to be able to attend local conferences or receptions in areas where (ISC)^2 doesn't currently have a large presence.

Enjoy the Benefits of Becoming an (ISC)^2 Chapter Member

There are several benefits to being a member of an (ISC)^2 Chapter. Not only will you gain a sense of fellowship with colleagues in your profession, but you will be able to network and exchange knowledge with fellow (ISC)^2 credential holders and other information security professionals in your local area. By being a member you can also:

- o Engage in leadership roles
- o Earn CPEs by participating in professional activities
- o Receive special discounts on (ISC)^2 products and programs
- o Participate in co-sponsored events with other industry associations
- o Assist (ISC)^2 initiatives by speaking at industry events or writing articles for publication
- o Participate in local community outreach projects (public service) to educate people about information security

Special Discounts Available

(ISC)^2 offers special discounts to (ISC)^2 Chapter members on the following items:

- o Promotional merchandise at the (ISC)^2 Store
- o (ISC)^2 Security Leadership Series events (for non-(ISC)^2 members)
- o Special discounts available on (ISC)^2 Education products*
  *(*inquire with an (ISC)^2 Certification Consultant for details)*

"Joining an (ISC)^2 Chapter will provide you with the ability to connect with your peers and discover new opportunities within your profession."

Meeting the Requirements to Join

Both (ISC)^2 and non-(ISC)^2 members are eligible to join an (ISC)^2 Chapter. To become a chapter member, refer to the following:
