The image shows a screenshot of a news article from CNET. At the top, the word "EQUIFAX" is written in a large, bold, red font. Below it, a black box contains the text "140 MILLION PEOPLE". Underneath, a list of data types is shown in white boxes: "NAMES", "DRIVERS LICENSES", "SOCIAL SECURITY NUMBERS", "BIRTHDATES", and "ADRESSES". The CNET logo and the word "NEWS" are visible on the left side of the screenshot.
