Sponsorship has allowed us to grant two of four available passes for CISSP examination. It has also subsidized conference passes to persons experiencing interruptions in employment.

Meet Your 2023 – 2024 Sponsors

Sending speakers – air travel – hotel, is just as much a Silver as any cash donation. We recognize Exelon, Revolution Cyber, On2IT for allowing us access to their leaders.

ISC2 East Bay Chapter offered Two types of CPE Events – Webinar and Live

Out of 734 members who attended at least one event in three years, 243 distinct members attended across 13 2023 events.

- We held one election and General Meeting
- We hosted ten technology enabled events
- We coordinated three live vents
 - Oracle provided their facility for two conferences and one training.
 - 123 out of 243 membership in attendance also have an ISC2 ID. For those members, all of their CPE were reported by the combined effort of the Director Education, Jack Rasmus-Vorrath and the Chapter President, Robin Basham
 - In total, we enabled just shy of 2200 hours of continuing professional education credit

Even if you missed the SCRM Conference, we have a gift for you.
